Serial Nos Eight

Part B for April 1934

SUBJECT

Construction of an underbridge near Sri Rampur, Mallesvaram

No L 7378-83 dy 14th April 1934

To the Asst Commr Bangalore Cy- through Comptr to Govt the 2 Dy Dir of Industries & Commerce Secy. to Govt for Railways Chief Engineer Agent, Mysore Railways

Letter the Construction of Rs Rs 15 000

General and Revenue Secretariat | File No, 143 of 1933

Serial No	
1	Letter no 4 T. 131 dated 12/10 from the Municipal Commr, Bangalore, requesting that the Government contribution towards the cost of the proposed underbridge below the Railway line behind the Maharaja Mills, Bangalore, may be arranged to be placed at the disposal of the Railway authorities so as to enable them to push the work on hand vigorously
	1 Municipal file 23-28 containing the previous correspondence relating the construction of an underbridge the Railway line behind Maharaja Mills is put up
C	2 The Govt who were then asked to meet at least 1/3 of the cost of the work have agreed to meet the same, and the Municipal Commr states that a sum of Rs 5000/- towards their contribution from the funds provided in the budget for 33-34 for City improvement works.
B	
D	3 The Chief Engineer reported in his letter no. 10395 of 8/11/31 in reply to the office enquiry about the amount that the Govt of Mysore would contribute towards the work that a sum of Rs 29,816-12-4 was realised by the Sale of sites in the Mysore Extension and credited to Govt under the head "XIII Miscellaneous" and.

IOTL—Contn Sheet

L1724

W. File No 143 of 1933 | General and Revenue Secretariat

the total outlay incurred on laying out the extension including water supply and drainage estimated being only Rs 8,811-0-5. It has also been that there was no provision in the Budget during 30-31 to meet the charge. and on account of financial stringency the proposal was defered then

4. The Collector now states that the necessity for the bridge is very keenly felt and requests that the Govt contribution may be arranged to be placed at the disposal of the Railway authorities.

5. The Collector has not stated that the estimated cost of the work as it was formerly estimated at Rs 25000 according to which the Govt contribution comes to about Rs 8000/000, whereas he has stated that a sum of Rs 5000 has been provided in the Budget towards the share of contribution. If approved information as regards the correct estimate of the work may be called for, with a view to know what amount Govt will have to pay in case the proposal is to be sanctioned. After information is received the Railway Engr and the Collector may be consulted

Representation of the

RATE PAYERS OF SRIRAMAPURA EXTENSION, MALLESWARAM

REV SEC

11 JAN 1934 L.S.G. BRAN

GENERAL SECRETARY 10 JAN 1934 No. L S G

1 The Extension being in an isolated locality surrounded by railway lines, the question of giving an under-bridge at a convenient point behind the Maharaja s Mills has been engaging the consideration of the Municipal authorities for some years past on the repeated representations of the people

2 It is understood that the matter is now before Government and we pray that it may kindly be settled early as the people living in the locality are experiencing inconveniences daily

3 We further pray that the Dewan Sahib may be pleased to visit the locality at his convenience to acquaint himself personally with the disabilities that the people there are labouring under

6-1-34

6-1 No 6629 10/1/34

underbridge near Sreerampuram-Malleswaram Bangalore

L 3376

General and Revenue Secretariat | File No 25 4 of 193 | [App F III—2

Serial No

27. Submitted with the connected file nil 1443-33-4 The municipal commr has been requested to state whether the nil share of contribution of Rs 5000/- can be met from the reduced grant of Rs 42500/- for all improvement works proposed in the current years budget of the municipality

11/1/34 28 The Municipal Council have approved of the construction of a New bridge only in preference to an underbridge, as the former will be simpler more central and more direct

29 The approximate cost of the work is estimated by the M.E.S. Officers at Rs 15,000, and this is proposed to be met by the Municipal Council and the Govt in the proportion of 1 : 2 as per decision taken in 1931 (Flag A)

30 The Municipal Commissioner, Bangalore has been addressed regarding the source from which the Municipal quota of Rs 5000 will be met, and his reply is awaited He will be reminded in the mail

31 After the M.C.'s reply is received, it has to be considered how the Govt share of the cost viz Rs 10 000, has to be met The Chief Engr who was consulted in the matter previously, stated that there was no possibility of this Dept contributing any grant towards this work He might perhaps be consulted again now

Chief Secy) 12/1

32—A

+ This matter is proposed to be discussed with the Chief Engr when he visits Bangalore next week

The grant has to be given by Govt from some source, especially in view of the fact that only a sum of Rs 29 816 realised by the sale of lots in the Extension about Rs 8811 were spent on the layout & the balance credited to Govt

the proposed distribution of the reserve is as follows —

* Flags WYC

3) It will be seen from the above* that there is no money available only the Town Improvement & Water Supply grants provided in the current year's budget, for being spared for the work in question. Further there is no other provision under "30 Grants for Public Improvement" from which a grant of Rs 10,000 can be given for the work

D

4) The Chief Engineer's letter no 10895 dt 8.1.1931 in the file 23-28 put up shows that against an outlay of Rs 8811-0-5 incurred in laying out the extension, a sum of Rs 29 816-12-6 was realised by the sale of sites, leaving a large margin of profit to Govt. It was perhaps in consideration of this that Govt decided in June 1931 that the Municipality should pay 1/3 of the cost of the work, Govt meeting the other two thirds

A

5) The sum of Rs 10 000 representing the share of Govt for the work has therefore to be found from some source in the current year's budget. If this is not possible, an additional grant may perhaps be made to the grant under "31 A Communications" The Fin'l Secy may be consulted
